## Stimata redactie,

Ma numesc Toma Gradinaru Ioan. Sunt medicul veterinar concesionar al CSVA George Enescu, din anul 1999 pana in prezent si al comunei Cordareni din ianuarie 2018. Profesez ca medic veterinar din anul 1970

Pentru o corecta informare a cititorilor dvs. ,care au lecturat articolul editat de publicatia dvs. in data de 08.06.2018 si intitulat "Scandal intr-o comuna din Botosani: Directori bagati urgent in sedinta de prefect", fac urmatoarele precizari:

Activitatea sanitar veterinara in comuna Cordareni, mi-a fost incredintata, ca interimat, de catre DSVSA Botosani, in luna aprilie 2017, pana la organizarea licitatiei. Dupa aproape inca o luna, DSVSA a reusit sa recupereze statia de lucru de la fostul medic (calculatorul pe care este instalata aplicatia de identificare a animalelor). Dupa ce am primit aceasta statie (intr-o stare jalnica, cu display-ul spart) am constatat ca intre datele inregistrate in aceasta aplicatie si realitatea din teren, existau discrepante majore .... un adevarat dezastru.

Am reusit dupa o umbalatura, de dimineata pana seara, in cca 2 luni sa stabilesc o corelatie intre datele din teren si cele inregistrate in Baza Nationala de Date (BND). A fost un efort urias.

In decursul actiunilor mele pentru restabilirea normalitatii in ce priveste activitatea sanitar-veterinara, am fost total ignorant de conducerea administratiei locale din comuna Cordareni, despre vre-un ajutor logistic nefiind vorba nicicum. In schimb am vazut o preocupare deosebita a d-lui primar Dumitras, pentru colegul meu d-l doctor Enachi Ionut, pe atunci medic angajat la CMVI Ibanesti. In sensul celor spuse de mine d-l primar i-a oferit d-lui Enachi, casa familiei Dumitras (a bunicilor actualului primar), spre asi deschide si inregistra un cabinet veterinar. Relatia dintre d-l primar si d-l Enachi este foarte apropiata (sunt prieteni sau rude), fiind deseori vazuti impreuna in diverse imprejurari (instituti publice, cabinete parlamentare etc.) unde primarul Dumitras il prezenta ca fiind noul medic veterinar al comunei Cordareni. Peste tot unde mergeau, primarul lauda cabinetul amenajat de acest doctor. Desi odata deschis acest cabinet, dr Enachi avea tot dreptul sa desfasoare activitati sanitar veterinare, nu am vazut sa o faca.

Pe parcursul interimatului in comuna Cordareni, nu am avut nici o reclamatie, nu am avut nici o nemultumire din partea cetatenilor.

Spre sfarsitul lunii decembrie 2017, s-a organizat licitatie pentru concesionarea activitatilor sanitar veterinare la care am participat eu si dr. Enachi. A fost o licitatie electronica, pe SEAP si dupa depunerea documentatiei si a ofertelor, am fost desemnat castigator, spre disperarea d-lui primar. In perioada imediat urmatoare d-l primar a inceput un atac miselesc, pe la spate, asupra mea, gasindu-si un aliat de nadejde in aceasta lupta absurda si meschina, pe d-l senator Lucian Trufin si mai nou pe d-l prefect.

Astfel, prin luna martie d-l primar a inaintat d-lui senator Trufin o petitie "semnata" de cca 14 persoane care reclamau ca nu este cabinet veterinar in sat, ca nu este

asigurata permanenta in comuna pe linie veterinara, ca nu merg zilnic sa vad ce animale au fatat ca sa le pun crotalii si alte aberatii. D-l Trufin a mers cu petitia la d-l presedinte al ANSVSA –Geronimo Branescu, care a solicitat de la DSVSA Botosani o cercetarea a celor reclamate. Comisia desemnata a constatat ca am respectat intru totul contractul abia eliberat (de cca 3 luni), problema cabinetului in Cordareni nefiind esentiala, intrucat pe de o parte nu s-a solicitat in caietul de sarcini, pe de alta parte distanta de la cabinetul pe care il detin in localitate Dumeni, pana in centrul comunei Cordareni, pe cale rutiera, este de cca 2,5 km, iar pana la cea mai idepartata gospodarie este de cca 7 km. Am asistent angajat din localitatea Cordareni, care domiciliaza la parintii sai in localitatea Cordareni. Pe de alta parte la interventii ne deplasam cu masinile personale, avem cu totii telefoane mobile, raspundem la orice apel. Prin urmare solicitarea d-lui primar si a d-lui Trufin de a-mi fi reziliat contractul nu a avut fundament.

Identic cu prima lor actiune de denigrare a mea, s-a procedat si in cazul recent: d-l primar impreuna cu d-l Trufin preia o "nemultumire" din octombrie 2017 a unui fermier si a unui detinator doar a unui caine si se duc cu jalba in protap, cu mare circ, la prefectura.

Nu au avut bunul simt, sa ma invite si pe mine, sa argumentez ca cele reclamate sunt nefondate, si sunt doar sicane mizerabile ale primarului care vrea cu orice pret sa-si instaleze prietenul, doctor in comuna.

Nu am incurcat pe nimeni, asa cum ma acuza nefondat d-l prefect, ci mi-am respectat intru totul obligatiile. Mai mult decat atat am vaccinat in luna octombrie rumegatoarele mici si mari receptive la antrax, in urma episodului de antrax de la Manoleasa, despre care d-l prefect stie foarte bine, pentru ca prefectura a cheltuit mai mult sau mai putin justificat, sume consistente de bani.

Dat fiind ca vaccinul anticarbunos ca produs biologic, l-am achizitionat din surse financiare proprii, faptul ca am fost nevoit sa ma deplasez la taberele unde se aflau animalele cu mijloace proprii, am folosit consumabile din banii mei, am estimat aceste cheltuieli la 3 lei/animal, am taiat chitante la toti cei care mi-au dat banii.

In ceea ce priveste microciparea cainilor, medicii veterinari sunt obligati sa efectueze aceasta actiune si nu ca ar fi o prioritate a mea, asa cum sustine acel detinator al cainelui.

Desi nu m-au ajutat cu nimic in aceasta scurta perioada de contract, d-l primar si d-l senator Trufin acorda o larga sustinere celor ce instiga la nerespectarea legislatiei veterinare si a celor ce se opun actiunilor sanitare veterinare strategice, fapte pe care un procuror le poate incadra usor intr-un dosar penal.

In alta ordine de idei, in perioada in care activitatea veterinara desfasurata de fostul medic veterinar si care a fost un adevarat dezastru, acesti fermieri nu s-au aratat deloc deranjati.....nici functionarii de atunci, parte dintre ei responsabili si astazi si asta pentru ca doctorul era omul de casa al familiei Turcanu.

Atasez un extras din BND, in care se vede clar cum fostul doctor a deschis o exploatare fictiva (vedeti CNP), pe numele Dinu Eugenia si prin care a rulat fictiv sute de bovine si ecvine (cabaline), spre a da un aspect de legalitate afacerilor familiei Turcanu, care achizitiona fara documente animale din toata tara, multe dintre

ele grav bolnave. Va mai aduceti aminte de oasele de cai gasite imprastiate in diverse locuri dupa revelioanele si chiolhanurile din 2012-puteti vedea acum cam cine dadea certificate pentru traficul de cai. Cam asa ceva se doreste in momentul de fata, cu alti actori bineinteles (pe atunci primar in Cordareni era tatal actualului primar), dar eu sunt cel care le stric socotelile.

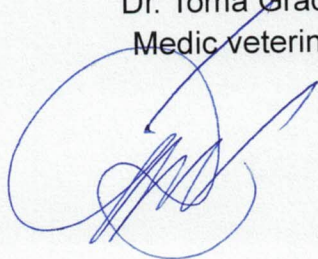

Vreau sa va informez ca inca din luna mai am deschis un punct de lucru si in comuna Cordareni, desi nu eram obligat sa o fac.

Inca un amnunt poate nu lipsit de importanta-sotia mea este primarul comunei George Enescu, din partea PNL si acest fapt provoaca grave indigestii d-lui senator Trufin si alti sefi PSD.

Este o discriminare clara a mea, pe criteriile politice.

Va multumesc

Dr. Toma Gradinaru Ioan
